

Teach Yourself Getting a Better Job (Paperback)

By Roderic Ashley

Hodder Stoughton General Division, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. The current world of work is tough whether you are looking for work or just looking to make better life choices. Things are changing fast and the job for life is a long forgotten myth. This book, perceptively written and full of practical advice, tells you exactly how to become a hot property in the competitive job market. Filled with self-check questions, exercises and case studies it will help you to understand yourself and improve your chance of a fulfilling career. Written to appeal to the broadest spectrum of readers, it will prove invaluable whether you are starting out on your career, returning to work, looking to change direction or coping with redundancy or early retirement. Learn to understand your motivations, grow confident in what you have to offer and go get that job!.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
