Tunisian Crochet: (FREE Bonus Included) Learn to Creat 15 Amazing Crochet Shawls and Get Warm! There is a lot of draw for crochet projects these days. Perhaps this is because crochet items have to be handmade, or perhaps it is because we are all getting used to the beauty of knowing how to make things by ourselves. Then, there was the time when people and artists decided to take crochet a bit further. They went from a standard crochet to the next level of crochet, with the same handmade draw as well as the same beauty you would expect from something that has been made by hand. When you are crocheting something, you are twisting and knotting yarn to make it into an item that is beautiful to look at and pretty to feel. When you are able to make things with your own hands, you are going to gain a whole new appreciation for the items that you make. You are going to be able to make everything entirely custom and exactly how you want it to be. If you want it bigger or smaller, wider or thinner, a different color, or anything else that you can imagine, you can do it when you are making items all on your own. Tunisian crochet is like the perfect combination between knitting and crochet. You can use a single hook to do it, as you would with crochet, but you are going to keep everything on that same hook as you would when you are knitting. It is...
