Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Every day kids, college students, and adults are being manipulated, brainwashed, and indoctrinated by corrupt teachers, politicians, and their celebrity puppets, including an inept media, into thinking and believing that Adolf Hitler, Joseph Stalin, Mao Zedong aka Mao Tsetung, Benito Mussolini, among other worldly deranged politicians, were somehow great humanitarians and influential leaders. This is complete utterly nonsense to anyone with half a brain. They were downright murderers who murdered and tortured millions of their own people. There are no true purposeful reasons for committing inhumane actions; murder, to achieve some worthy goal. There is no fight for freedom or revolution but a strategically planned act of genocide using a controlled and manipulated society as puppets in their personal quest for power, by playing God, to cleanse the earth of filth and rid of the undesirables. Why didn't they just take up golf? Besides the dedication page, informational page, and quote, this book is COMPLETELY BLANK. One lesson that needs to be taught to today's society is that there is nothing nice to say about this monster. Collect the whole series sold separately - Hitler, Mao, Stalin, Mussolini.
