Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We live in an age where the realities of the Spiritual world could be described as being mystical, elusive, and abstract, depending upon a person's subjective insight or experience. For this reason therefore, many have focused their entire assurance on the physical world thus making God, angels, and the spiritual world, a mere crutch for times of trials and difficulties. Many primitive cultures, even cultures of today, could point to some higher power beyond themselves. The modern man has become his own higher power and ruler of his own destiny; thereby the need for God is unnecessary for some. Many in the Western world would view religion as an old-fashioned tradition. The contrast is stark and bleak for humanity, believing that all life is what we can sense in the physical.
