Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Everyone deserves to be happy. In fact, this can only happen when there is abundance and prosperity which happen to be the basic principles of Reiki. Abundance and prosperity Reiki can only be achieved by following the five principles namely give cheerfully, change your voice if you want to desire, know your life's purpose, be aware that there must be no mistakes or regrets and living the mantra. Dr. Usui believed that by having these in our thoughts and what we say, we are able to live positive lives. If we dwell in doubt and other negative things, our dreams will never happen. As Reiki practitioners, we should use our talent not only to heal ourselves and those around us but also the world at large. This is because attunement strengthens our thoughts making us realize that we have a potential to do more in our life. But you have to admit that words have different meanings for each of us. For some abundance and prosperity means more money and wealth while some may see it as success in business or in one's career. Of course this definition may also mean having a loving marriage and a loving family. It just goes to show that it does not always mean material things. This is probably one of the things that make us extraordinary among the other species in the planet because we have the creative power of divine heart and mind connection. We just have to tap this gift and use it so we may be able to fulfill or even find our purpose in life. So what are money, love and peace? Such things are energies that...
