Reviews

Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

New Harbinger Publications, United States, 2014. Paperback. Condition: New. 2nd Revised, Updated ed.. Language: English . Brand New Book. When anxious feelings spiral out of control, they can drain your energy and prevent you from living the life you want. If you're ready to stop letting your anxiety have the upper hand, The Cognitive Behavioral Workbook for Anxiety, Second Edition can help you to recognize your anxiety triggers, develop skills to stop anxious thoughts before they take over, and keep needless fears from coming back. In the second edition of this best-selling workbook, William J. Knaus offers a step-by-step program to help you overcome anxiety and get back to living a rich and productive life. With this book, you will develop a personal wellness plan using techniques from rational emotive behavior therapy (REBT) and cognitive behavioral therapy (CBT), powerful treatment methods proven to be even more effective than anxiety medication. This edition includes new evidence-based techniques such as behavioral activation and values-based action, addresses perfectionism and anxiety, and features updated, cutting-edge research. Anxiety and panic are intense emotions, and in the moments that you experience them it may seem like you are powerless, but nothing could be further from the truth. This workbook offers a practical program that you can use on your own, or with a therapist, to take back that power and end anxiety once and for all.
