Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. BEDTIME STORIES DON T HAVE TO BE A CHORE New 5-minute bedtime storybook concept using interactive imagination. Ask any parent how they feel about reading bedtime stories to their little ones, and you ll get the same response every time; I feel guilty if I don t read a bedtime story, but I m often too tired at the end of the day. When I do decide to read a story, my little one chooses the biggest, longest book, and my heart sinks. My child ends up getting over-stimulated when all I want is for him or her to quietly drift off to sleep. Sound familiar? This reality is played out every evening in most homes with children between the ages of 2-8. The debut book by Dave Bester was written specifically with this conundrum in mind. My friend Paperman is a collection of 5-minute bedtime stories that are super easy on parents and loved by children. The book encourages parents to substitute the main character s name with that of their child, so the little one stars in his or her own bedtime story. And parents read it directly from their device while the child has to close his or her eyes and use imagination to paint the pictures. The book features a real special friend called Paperman. Parents are invited to make their own Paperman together with their child, and put it up on the wall in their child s bedroom. This makes the character real. Each story follows the same plot - when your child has gone to school Paperman hops down off the wall and goes to explore. Along the way Paperman meets all sorts of interesting characters,...
