Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The issues dealt with at the Synod of Dort which took place in the years 1618-1619 lie at the very heart of the gospel. Even though the discussions took place 400 years ago, since they involved matters of the highest concern to every believer today, then every believer should be interested in what led up to the assembly, and, above all, what its conclusions were. David Gay, convinced that many believers, alas, are ignorant of the events which made the assembly necessary, the questions which it had to answer, and the outcome of its deliberations, has published this little work to give a brief and simple introduction to all these matters. He hopes that many might find it helpful.
