Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

P R Publishing Co (Presbyterian Reformed), United States, 2000. Book. Condition: New. Language: English . Brand New Book. ?Homosexuality is the hot issue of the day, ? says Edward T. Welch in this booklet. ?Even more than abortion, it will confront the church throughout this generation, forcing us to listen, study, and respond wisely.? How can we answer claims that the Bible does not prohibit committed homosexual relationships? Or that science proves that homosexuality is genetic, not a chosen lifestyle? Welch supplies us with timely biblical and biological insight into homosexuality. Just as importantly, he calls us to examine our attitudes in order to minister to homosexuals truthfully, compassionately, humbly, and persuasively.
