A ROOM OF ONE'S OWN (HARDBACK)

[DOWNLOAD](#)

Dead Authors Society, 2016. Hardback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****. *A Room of One's Own* is an extended essay by Virginia Woolf. First published on 24 October 1929, the essay was based on a series of lectures she delivered at Newnham College and Girton College, two women's colleges at Cambridge University in October 1928. While this extended essay in fact employs a fictional narrator and narrative to explore women both as writers of and characters in fiction, the manuscript for the delivery of the series of lectures, titled *Women and Fiction*, and hence the essay, are considered non-fiction. The essay is generally seen as a feminist text, and is noted in its argument for both a literal and figural space for women writers within a literary tradition dominated by patriarchy. Virginia Woolf (January 25, 1882 - March 28, 1941) was an English novelist and essayist regarded as one of the foremost modernist literary figures of the twentieth century. During the interwar period, Woolf was a significant figure in London literary society and a member of the Bloomsbury Group. Her most famous works include the novels *Mrs Dalloway* (1925), *To the Lighthouse* (1927), and *Orlando* (1928), and the book-length essay *A Room of One's Own* (1929) with its famous dictum, a woman must have money and a room of her own if she is to write fiction.
