T. W. Tramm, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Scholars and would-be prophets have been searching the Scriptures for ages trying to determine when Jesus will return-most of them ignoring the plain words spoken by Gabriel in Daniel 9: From the time the word goes out to return to and rebuild Jerusalem until Messiah, the ruler, comes, there will be seven sevens . In his most concise and compelling work to date, T.W. Tramm proposes that Daniel s sevens, a.k.a. the shemitah and jubilee cycles, are the key to understanding the Lord s timing. Learn how: the Jubilee foreshadows specific end-times events; jubilee templates established millennia ago are being fulfilled today; also, how a host of signs are converging to reestablish the long-lost jubilee cycle and what this reveals about our proximity to the Lord s return. Informative and thought provoking, whether you have never heard of the Jubilee or are already well-versed, -2015- The Final Jubilee? will have you more encouraged than ever that the time of redemption draws nigh.
