

Physiotherapy in Obstetrics and Gynaecology (Paperback)

By Jill Mantle, Jeanette Haslam, Sue Barton

Elsevier Health Sciences, United Kingdom, 2004. Paperback.

Condition: New. 2nd Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible.

Brand New Book. This is the second edition of the highly acclaimed classic physiotherapy textbook which has become the definitive guide for undergraduate students, junior physiotherapists and practitioners specialising in obstetrics, gynaecology and urogynaecology. The text has been extensively re-written and up-dated for the twenty-first century by a group of respected specialists in the field. Following in the footsteps of its very successful predecessor, Mantle and Polden's *Physiotherapy in Obstetrics Gynaecology* 2E it is extensively referenced and copiously illustrated, and it documents in the most practical and relevant way the scientific and philosophical basis on which all good physiotherapeutic clinical intervention rests. Brimming with evidence based advice and practical tips, the book contains: A detailed anatomical description of the female reproductive, urinary and lower intestinal tracts together with associated structures. The physiology of reproduction, pregnancy, parturition, the puerperium as well as the menopause and beyond. A thorough reasoned account of the physiotherapist's role preconceptually, through the reproductive cycle, to the middle years and beyond. Information on a wide...

Reviews

It is one of the most popular publication. It really is written in easy words and not difficult to understand. You are going to like how the author write this book.

-- Prof. Evans Balistreri DDS

Completely essential go through book. This is for all who statte there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Lydia Legros
