

## Self-Inquiry in Bhagavad Gita Vol 2: Samkhya Yoga (Paperback)

By MR P V S Suryanarayana Raju Raju

Createspace, United States, 2012. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Phenomenal realities are not untruth because untruth means which does not exist. The phenomenal realities are half truths but part of truth. We can perceive the truth partially through senses because senses are basically limited in their range of perception. So all sense knowledge is only half truth including the scientific knowledge. That is why scientific theories goes on changing and in course of time they contradict their own findings. It is a natural consequence of observing through senses only. A century ago physicists are quite confident that atom is the basic particle with which universe is built. Later they found electron, proton, and neutron. For some time they felt that they are the only subatomic particles. After some years they said quark particles are final subatomic particles. In course of time they found quark particles do not exist at all. Now they say Neutrino is the fundamental particle with which electron is made of and so all universe is made of neutrino particle. The electron itself behaves as a wave of energy sometimes and if it is observed by electron...
