She lives like a princess in her tiny, luxurious home, but to Eden, the lamp is a prison. She hates being a genie. What she wants, more than anything, is freedom. When Eden finds a gateway to Earth within the lamp, she takes her chance and enters the world she loves. And this time, she won't be sent back after three wishes. Posing as the new kid at a California middle school, Eden revels in all of Earth's pleasures—but quickly learns this world isn't as perfect as she thought. Soon, she finds herself in the middle of a centuries-old conflict between powerful immortals. A ruthless organization run by a former genie will do anything to acquire the lamp and its power—even hurt Tyler and Sasha, the new mortal friends who have given Eden a home. To save her friends and protect the lamp's magic, Eden must decide once and for all where she belongs.
