Kevin, who endures years of systematic exclusion in his profession and painful separation from his own family, gets support and strength from good Samaritans along the way, who bring optimism and resilience into his life. The story spans three countries --Australia, Myanmar (Burma) and India-- and covers some interesting facts on the history and culture especially of Burma. Kevin's early life in Burma is affected by World War 2 and the adventures and traumas it brought to the peace-loving Burmese people. With his father working for the British, who controlled Burma and India, Kevin had to spend many of his training years in India as well. In fact, it was during his adult working life in India later that his troubles began. Most of the agony he faced stemmed from his association with a religious education organization. Even if there wasn't really an ecstasy on the horizon for Kevin, he is now at peace with the choices he has made for his fresh start in Australia. The book highlights the unholy collusion by religious Managers who use their power to control human freedom and development. The pain that Kevin went through in silence now finds meaningful expression in the book. The facts exposed could very well serve as guidelines for those who hold authority especially in religious organizations today. The book, while exposing dysfunctional situations, does not in any way deprecate religious beliefs or broadly held human concerns. One reviewer of the book, now a student in his second year of religious training in India said, The free-flowing language and the way in which facts are presented should help send out some powerful messages. Another reviewer, a college lecturer in...
