UTILITY REGULATION: CHALLENGE AND RESPONSE (PAPERBACK)

Institute of Economic Affairs, United Kingdom, 1995. Paperback. Condition: New. Language: N/A. Brand New Book. Eleven years after the first utility privatisation, the agenda has moved from whether privatisation will do better than its state predecessor to the question of how to do better with privatisation. The future of regulation seems very uncertain. The stakeholders consumers, politicians, the companies themselves and their shareholders are increasingly critical. Regulatory processes have borne the brunt of criticism. Conflicting remedies are suggested for the...
