

Stratford Boys: With Web Teacher Material (Hodder Literature)

By Jan Mark

Hodder Murray, UK, 2005. Hardcover. Condition: New. Hodder Literature: a new and exciting series of literature titles for Key Stage 3 for whole class use. Unsure of quite how it happened, sixteen-year-old Will Shakespeare finds he has been roped into writing and putting on a play for the people of Stratford. He's only ever penned the odd poem but now he's got just a few weeks to give the townspeople a show to remember. With Adrian - his trusty friend and reluctant director - Will battles with his over-active imagination, an ever-evolving plot and, most importantly, his unruly company of actors - the Stratford Boys. There's Wat Lambert, the illiterate plasterer; Will's bumptious brother Gilbert; Adam of Muscovy, the pro from out of town; Jake, the tone deaf piper; and the school boys who are refusing to wear skirts. But somehow, against the odds, Will and co perform *Fortune My Foe* to a packed house and rapturous applause - is this the start of something great for the novice playwright?.
