There were these two guys that went to college, both of them were smart, one was a nerd and the other was considered a real cool and popular guy. Jeff is the science major, who invented a cell phone time machine and Tree is a business marketing major with a basketball scholarship and they both shared the same dorm room. Now Tree partied so much that he didn't do his studies and lost his scholarship, now he needs money to finish college. Tree decided to test out Jeff's cell phone time machine without his consent and change three things in his life. (1) He will go to the future to get some winning lottery numbers to pay for his college tuition, (2) He will go back in time to change his high school grade point average. Tree has returned to the present and everything seems fine he's even on first name basis with the Dean of the college his grade point average is 4.0 and he won 50 million dollars and paid his college tuition in full. Now, Jeff...
