Epiphany Strange is a 19 year old girl who has taken her younger brothers and sisters away from her mother, a drunk, after her father (who was sexually abusing Epiphany from the time she was 11 or 12 to the point of her having one miscarriage and one abortion) moved on to the next daughter in line where he was killed by one of his sons while he was raping the boy's sister. Epiphany, protecting her brothers and sisters, chops up his body and throws it in the trash. The police find the body parts and find out about the abuse and sort of guess a son killed the father to protect a sister. And that's where the D.A. comes in, sorting through what is known and deciding what to do about it. The D.A. has a willful teenage daughter who spends all night long online with males she messages from all over, and calls and texts to the tune of over \$100 in long distance before her parents are shocked by the phone bill . on the same day she...
