

Brains and Jimmy: The Mrs. Periwinkle Case: A Young Reader Version of a Brains Benton Mystery (Paperback)

By Thomas Hudson

Createspace Independent Publishing Platform, 2016.
Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In what might be a publishing first, a teen reader/adult mystery story has been rewritten specifically for young readers, as young as 3rd grade for some advanced readers. It may be read by children with or without help, and can be thoroughly enjoyed as a read-along where a parent is reading the original version of the book (Brains Benton: The Case of The Insane Woman Down Memory Lane) at the same time. Brains and his best friend Jimmy have started a detective agency to take on cases the police just won't take seriously. And, being not-quite-teens themselves, the police do not take them seriously either. But they have a few early successes and it is only when Jimmy's older sister, Ann, asks them to look in on a favorite old teacher of hers who had been fired and sent to a mental institution, that the real mystery begins. Can it really be true that aliens from outer space are out to get her? What the boys learn for certain is that sometimes the best way into a crazy...

Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You won't really feel monotony at any moment of your time (that's what catalogues are for concerning when you ask me).
