# INVESTMENT AS A DRIVE OF ECONOMIC GROWTH

2016. Hardcover. Condition: New. 223 ABOUT THE BOOK:- The growth of the economy is reflected through the rise in incomes of the people, but development is a wider term, which includes both growth and qualitative improvement in the standard of living of the people and a better distribution of incomes. Development thus involves a rise in the level of income and the level of investments leads to better standard of living in general through growth plus socio-economic changes and development....
