New Publishing Partners, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Because I was born in Iran (previously called Persia), I am often asked Why is there such animosity between Iran and America? Before answering this question, I need to discuss the story of my life, which was profoundly affected by this animosity. My personal story includes first growing up and being shaped by Iran, and then moving to America, where I embraced all that the United States of America stood for. The story of my life in Iran and America will enable the readers of my book to know how I came to love both countries and why now why I feel disheartened by both governments. As the first-born son, the crown prince, I quickly displayed my determination to get what I wanted. Later, as a teen-ager, against the family's wishes, I decided to travel alone over 12,000 miles to America to study medicine. My strong will and initiative has allowed me to overcome all obstacles and to establish a national and international reputation for making significant contributions to medical science. These contributions are reviewed in the following pages. All of this happened while I was busy trying to advance the field of medicine in both countries. When the Shah (King) was in power in the early 1970s, I accepted the invitation to become the Imperial Chief of Medicine. In 1979 I was ready to move my family to Iran and nearly got caught in the bloody revolution of the Iranians. A decade later after the Islamic clerics came to power, I accepted the invitation to serve as advisor to the National Academy of Science of the Islamic Republic of Iran. Regrettably, my intention to help was opposed...
