Jeffrey Brunk, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is not a paint by numbers, how to guide to self-awareness. Nor is it another rehashed, pleasant memoir detailing a smooth spiritual awakening. If anything, it's more of a what not to do guide -- a personal story with quite a few corkscrew twists and an unexpected outcome. The outcome is one that isn't as much spiritual awakening as divinely inspired upheaval. More than that, though, it is a tale offered to encourage others. Listen, when the voice of awakening arises in you. Regardless of the journey it takes you on, it's well worth what you'll discover. Moving from the consensus reality created by materialism and societal expectations, Jeffrey Brunk slowly stepped away from the so-called normal life created by work, church, and simple family connections and ventured into a luminous realm, where essences of divinity offered wisdom and guidance while allowing powerful energies to surface and healing abilities to manifest. In seeing the unseen, hearing what others do not hear, and listening to the whispers that others ignore, Jeffrey is one who instinctively connects with the natural and universal energies that empower and heal. Ultimately, Jeffrey heeded the call to provide assistance and betterment to others and the planet. Yet, he is no different than anyone going about everyday life: getting the oil changed in the car, sitting at a child's sporting or musical event or picking up dog food and toilet paper at the grocery store. Still, his story is anything but everyday. It is a Tour de Force ride...
