

Gay: A Short, True Story of Self Discovery. (Paperback)

By Brendon Hartwig

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The following is a true story. A word of warning. Please note it is sexually explicit and some of the content may offend. It is written for those with an adult, not easily offended open mind. I have written it as a short story, shorter than a novella, not really knowing if there is a demand for more. If there is any sort of success, I will continue with a full length novel but at this moment in time this is a bit of a voyage of discovery for myself, testing the waters, so to speak, searching the market and the public's desires. For me, it is the tale of a beautiful memory, told as accurately as my recall will allow. It was when I was sexually naive, aged just eighteen, in the late 1970s, a time before mobile phones or the internet. A time of discovery, in so many ways.
