

La Paleontologie Appliquee A L Etude Des Races Humaines (Paperback)

Filesize: 5.81 MB

Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

LA PALEONTOLOGIE APPLIQUEE A L ETUDE DES RACES HUMAINES (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. D ou est venue l humanite ? comment sont nees les races qui la divisent ? dans quel ordre se sont combines les elements complexes dont les peuples actuels sont formes ? La pensee se trouble bientot lorsqu elle envisage cette serie de questions encore si obscures. C est cependant a les resoudre qu une foule d esprits serieux ont consacre de nos jours toute leur energie. Ils se sont jetes avec ardeur dans une carriere a peine ouverte, et, si jusqu a present on n a guere fait que sonder les difficultes de l entreprise, il n en est pas moins vrai qu une science nouvelle a ete rapidement fondee, qu elle a recueilli les documents les plus precieux et prepare les termes d une solution dont l avenir garde encore le secret. Le probleme des origines de l homme a cela de particulier qu il ne releve pas d une seule branche de connaissances; il constitue un terrain sur lequel plusieurs sciences se sont donne rendez-vous, et ce rapprochement leur a fourni l occasion d un controle mutuel. La critique historique, l archeologie, la linguistique, l anatomie comparee, l ethnologie, la paleontologie et la geologie tendent ici au meme but, malgre la diversite des procedes que chacune emploie. Le resultat final, encore inconnu, ne saurait pourtant demeurer toujours inaccessible; il est permis de croire que la solution ne se fera pas attendre, si l on mesure l etendue et la rapidite des progres accomplis.
