Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As technology and software become more and more important to Portuguese society, it is time for Portugal to take them more seriously, and become a real player in that world. This book discusses several ideas to make Portugal a place where programming, TDD, Open Source, learning how to code, hacking (aka bug-bounty style), and DevOps receive the consideration, investment and respect that they deserve. Application Security can act as an enabler for this transformation, due to its focus on how code and apps work, and its enormous advances in secure-coding, testing, dev-ops and quality.
