From New York Times and USA Today bestselling author Mara Jacobs comes book 2 in the New Adult College romance Freshman Roommates Trilogy. IN TOO FAST is a complete novel of 67,000 words. I spent my whole life trying to be in the driver's seat. Then I got behind the wheel. I was the baby that brought down the President. But I'd put that all behind me and was living a mostly normal existence as a freshman at small, exclusive Bribury College. And then I got a car. Not just any car, but one I didn't know how to drive. And it was delivered by the guy I least wanted to see. He offered to give me driving lessons. Yeah, like I wanted to spend time alone with him in the confines of a tiny sports car. Except, I kind of did. My past caught up with me, and we were both thrown into a world we didn't want or need. He ended up surprising me. And then I really surprised myself. I knew it the moment I was handed the keys. I was In Too Fast. This New Adult book is intended for readers over the age of 18 due to adult language, sexual content, and adult situations. If it was a movie, it would be rated R. The books of the Freshman Roommates Series: 1) In Too Deep 2) In Too Fast 3) In Too Hard- coming soon Each book in the trilogy features a different couple.
