Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Here You Will Find The Most Popular And Complete Intermittent Fasting Guide! The fact that the whole world is sitting on diets, does not surprise anyone today. The problem of weight reduction worries many, but not everyone is able to deal with it. It's surprising, however, that every day brings us something new in dietetics, although it would seem that everything has been tried for a long time. Exhausting diets, calorie counting, eating tasteless low-calorie food - all this leads to the fact that the vast majority of people at one point or another just break down. However, there is a relatively new dieting method, called intermittent fasting. Intermittent fasting has been practiced for centuries, as long as the humans have been living on this earth. Fasting has been a long-forgotten health secret. Although fasting is practiced in some religions, not many know that fasting is for everyone and is actually not that hard to practice and is much better for your health and easier to follow than low calorie or other diets. Intermittent fasting is very flexible and whatever your...
