Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.NLP stands for Neuro-Linguistic Programming, and it encompasses the three most influential components involved in producing human experience: neurology, language and programming. Over the years NLP has been both misunderstood and misused especially in regards to the application of the various techniques that are associated with it. In his book entitled **Banned NLP secrets** author Daniel Smith reveals the simple truth about NLP that will have you stripping off the illusory layers and getting right down to the bones of advanced NLP mastery and then some. He will be exploring in detail the Grand-Master techniques of a tradition that has been lost to time, and you will be introduced to the grandfather of this fascinating modern discipline. Please be warned, some of the techniques in this book are lethal, and as the author states useful for splitting open your mind to attain to what he calls the Heart of Mastery. Only by traversing within to the deepest parts of your psyche will you be able to truly grasp the fundamental realization of NLP, something that apparently no-one alive has ever completely mastered. The key concepts and exercises you will learn from this book will guide you in achieving self-mastery and provide you with the skills you need so you can apply these principles to every and all aspects of your life - from the choice of food you eat, the company you keep, to making important decisions in the critical stages of your life, like your career, marriage, children and many others.
