Moody Press,U.S., United States, 2012. Paperback. Condition: New. New.. Language: English . Brand New Book. The gospel according to hip hopThe fusion of the Christian community and hip-hop culture is very real, very significant, and sadly very incomplete. While Christian themes and concepts are prevalent among the listeners of Christian hip hop, it often comes with little theological depth beyond a 3-minute rhyme. The lyrics are meaningful, but that meaning escapes the majority of its audience.To fill this critical gap of understanding, Pastor D. A. Horton (aka hip-hop artist Azriel) has written G.O.S.P.E.L. In the language of hip hop and with the crystal-clear power of Scripture, it is a sound and compelling presentation of the life-changing truth many professing believers fail to fully grasp: the gospel. Undiluted. Unmistakable. Unstoppable.
