POCKET BOOKS, 2017. Paperback. Condition: New. Language: English . Brand New Book. Complete with the signature charm, delectably witty dialogue, and scorching sexual chemistry (Booklist) she is known for, New York Times bestselling author Sabrina Jeffries is back with the fourth romance in the Sinful Suitors series! When Niall Lindsey, the Earl of Margrave, is forced to flee after killing a man in a duel, he expects his secret love, Brilliania Trevor, to go with him, or at the very least wait for him. To his shock, she does neither and sends him off with no promise for the future. Seven years and one pardon later, Niall returns to England disillusioned and cynical. And being blackmailed by the government into working with his former love to help catch a counterfeiter connected to her father doesn't improve his mood any. But as his role as Brilliania's fake fiance brings his long-buried feelings to the surface once again, he wonders who is more dangerous--the counterfeiter or the woman rapidly stealing his heart. Forced to marry another man after Niall was exiled, the now widowed Brilliania wants nothing to do with the reckless rogue who she believes abandoned her to a dreary, loveless life. So having to rely on him to save her father is the last thing she wants, much less trusts him with. But as their scheme strips away the lies and secrets of their shared past, can she let go of the old hurt and put her pride aside? Or will the pleasures of their renewed passion finally enable them both to rediscover love?.
