SKYWARD AND BACK: STORIES OF NATURAL PHENOMENA FOR FIRST AND SECOND GRADE (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Stories of natural phenomena charmingly told for primary pupils. A Favorite Series.-The author says: These stories form a favorite series, because my valued critics, the children, have decided in their favor. They have tried to explain, in a childish way, how watching sun and sky and clouds touched something in their higher natures. * * * * * I have read Skyward and Back through with great pleasure and can commend it highly for supplementary use. It is correct and pleasing fa style and poetical in subject and treatment and ought to help teachers and children. -C. B. Gilbert, Supt. of Schools, Newark, N. J. I am sure it will prove a great help to primary teachers. -Sarah L. Arnold, Supervisor of Primary Schools, Boston. Especially do I like Skyward and Back. It is a combination of truth and poetry in a form that children can understand and enjoy. -Mary F. Hall, Supervisor of Primary Work, Milwaukee.
