A haunting psychological thriller, The Last Dream Before Dawn is a chilling tale of a man who has it all--until his past catches up with him. Roland is a powerful, handsome attorney who has everything a young man could desire. On the fast track to greatness and one of the most eligible bachelors in New York City, he seems untouchable. But a strange chance encounter with a mysterious prophet turns Roland's life upside down. After the seer predicts the end of the world, a string of random violent acts seizes the city, and Roland is accused of crimes he did not commit. To prove his innocence, he must separate himself from the incriminating shadow of his father, a man executed for a vicious crime when Roland was a child. Evocative and suspenseful, The Last Dream Before Dawn is guaranteed to send your mind reeling and your pulse racing.
