Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Pharmacology is an important nursing skill set that we all must learn how to master. The problem is that most books drown you in information that makes it nearly impossible to remember. This book is organized in a concise way that keeps out all the fluff. So if you re looking for a detailed in-depth description of every possible medication, then this probably isn't for you. This is a review of some of the most common medications with the most relevant information, written in a way you can understand. Also included are 100+ NCLEX-style practice questions with rationales, all related to nursing pharmacology. Go over the medication review first, and then check your knowledge on the test. Come check us out at for the blog and other Kick-Ass Books, such as NCLEX Lab Values. You can also print out our free STAT Guides (One page printable nursing cheat sheets). Good luck in nursing school and beyond!.
