- Economics Today has long led the field in offering students and  
instructors a dynamic, application-rich approach to teaching  
and learning economics. The book is based on the belief that  
students learn more when they are involved and engaged. The  
12th edition features all new examples that have been selected to  
grab and hold students' attention. These examples serve one  
basic purpose-to drive home the application of the theory just  
presented. One of the keys to the success of Economics Today is  
that it is suitable for many teaching styles. Instructors who wish  
to stress theory can do so. Those who wish to stress applications  
and examples can do that. Those who wish to incorporate  
technology into the class can do so with ease using MyEconLab.  
63 pp. Englisch.

### Reviews

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Keanu Johns

*This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.*
