By Betsy J. Shiland

Elsevier - Health Sciences Division, United States, 2016. Online resource. Condition: New. 5th Revised edition. Language: English . Brand New Book. Build your knowledge of medical terminology and communicate effectively in the healthcare setting! With modules corresponding to the chapters in Mastering Healthcare Terminology, 5th Edition, by Betsy Shiland, Medical Terminology Online brings medical terminology to life with fun, interactive exercises as well as narrated animations and slide shows. Word building and labeling activities strengthen your skills in using medical vocabulary. Use MTO together with the textbook, and you will come to terms with healthcare language and learn to apply specialized vocabulary in real-world practice. Outcome-based learning includes modules that are mapped to specific objectives, with a short assessment after each block of content. Interactive exercises help you recall and recognize medical terms with word building, labeling, spelling, image association, pronunciation, matching, true or false, fill-in-the-blank, and case studies. Narrated animations and slide shows bring terminology to life, clearly demonstrate physiologic processes, and explain concepts that are difficult to convey with static illustrations. More than 1,000 high-quality illustrations clarify concepts and reinforce your understanding. Threaded case studies follow a patient with a particular medical condition throughout an entire module to show the real-life applications...
