

## Electric Guitars and Basses

By George Gruhn; Walter Carter

Backbeat, 2010. Condition: New. Famous models of electric guitar such as the Fender Stratocaster or Gibson Les Paul are not only icons of 20th century design but, for millions of musicians and music fans, powerful objects of desire. Focusing on the American manufacturers that have led the development of the instrument, this highly illustrated volume traces its evolution from the early Hawaiian prototypes of the 1930s to the classic models developed and refined from the 1950s to the 1970s.

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
-- Natalie Abbott

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*
