Liverpool University Press, United Kingdom, 2014. Paperback. Condition: New. Reprint. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Published in anticipation of the centenary of the poet's birth, *The Poetry of Dylan Thomas* is the first study of the poet to show how his work may be read in terms of contemporary critical concerns, using theories of modernism, the body, gender, the carnivalesque, language, hybridity and the pastoral in order to view it in an original light. Moreover, in presenting a Dylan Thomas who has real significance for twenty-first century readers, it shows that such a reappraisal also requires us to re-think some of the ways in which all post-Waste Land British poetry has been read in the last few decades.
